Applications

Magic Mirror are very popular in business, retail and hotel environments.
Show your customers a configurator, movies or apps about your products.

+ Shops - Show interactive customer applications or the product of the day.
+ Smart home control - Check and control the house control.
+ Hotels, petrol stations and shops - Smart mirror in the entrance area or bathroom.
+ Fairs & Exhibitions - Surprise customers with unexpected company presentations.
+ Hairdresser - Children keep still when movies run in the mirror.
+ Magic in the bathroom - Watch videos, surf the Internet.
